

NU HRCT work programme 2016-2020

The main activities of the organisation are described in Rule 2 of the Rule Book: Objective and assignments.

Focal points 2016-2020: Tourism, the industry of the future

1. Organizing and recruitment of members

NU HRCT is to continue to develop networks between union representatives responsible for organizing projects and youth work

- Social labelling (OK forhold, Schysta Villkor, hotels med tarifaftale)
- #FairHousekeeping
- Young workers

2. Conditions in the tourist industry

NU HRCT is to highlight issues relating to working conditions in the industry, develop strategies and exchange best practice between member organisations.

- Health and safety at work
- Digitalisation
- Outsourcing and new types of employment
- Training and professional status
- Social dumping and collective agreements
- The movement of labour in the Nordic countries
- Newly arrived migrants

3. Industrial policy

Update and review the current industrial policy and create common understanding how to deal with the many challenges faced by the hotel, restaurant, catering and tourism sector.

- More and better jobs with living wages
- Sustainable tourism from farm to fork
- Identifying, nurturing and retaining skills
- Digitalisation of tourism calls for greater knowledge

4. A strong Nordic voice

NU HRCT is to remain a strong player in Nordic, European and international cooperation.

- Continuing coordination before EFFAT and IUL meetings
- Arranging conferences and seminars for selected industries/corporations
- Ensuring the exchange of information between member organisations and developing networks
- Coordinating EWC work in the Nordic region
- Influence and strengthen Nordic cooperation on cross-border issues through various forums and institutions, such as the Nordic Council.
